# ANTOINE BOLLINGER
## WEB DEVELOPER

**Translator. Creator. Communicating.** These are the words that best define my work. **Translating texts, elaborating catalogs, writing codes** for website, all this implies **translation** – **of a need, a request or even a desire** – and the **creation of a result**. And all this contributes to **communication between people**. That is **where is my activity** and **what drives me**.

- **Translation**, **creation**, **communication**
- **InDesign**, **Photoshop**, Microsoft **Office**
- **English** professional | **Portuguese** bilingual
- Autonomous, organized, self-made, flexible
